Karol Józef Wojtyła - Jan Paweł II

Karol Józef Wojtyła, known as John Paul II since his October 1978 election to the papacy, was born in the Polish town of Wadowice, a small city 50 kilometers from Krakow, on May 18, 1920. He was the young-

est of three children born to Karol Wojtyła and Emilia Kaczorowska. His mother died in 1929. His eldest brother Edmund, a doctor, died in 1932 and his father, a non-commissioned army officer died in 1941. A sister, Olga, had died before he was born.

„I lost my mother before the First Communion at the age of 9 and therefore I remember her less and I am less aware of her contribution to my religious education, and it was certainly very large.”

„The father was a military man by profession, and when he widowed his life became even more a life of constant prayer. Sometimes I happened to wake up at night, and then I found my Father on his knees, just as I always saw him on his knees in the parish church.”

„My brother Edmund worked in a hospital in Bielsko. I know he was very dedicated to the hospital and he took his work among the sick very seriously. His premature departure was deeply marked in

my heart. Seventy years after his death, I still remember him with fraternal love and entrust his soul to merciful God.”

He was baptized on June 20, 1920 in the parish church of Wadowice by Fr. Franciszek Zak. He received his First Holy Communion at age 9 and was confirmed at 18.

„When I look back, I see how the path of my life through the local environment, through the parish, through my family, leads me to one place, to the baptismal font in my parish church in Wadowice. By this baptismal font, I was accepted into the grace of God's sonship and faith of my Redeemer, to the community of His Church on June 20, 1920. I kissed solemnly this baptismal font once as, at that time the Archbishop of Kraków in the year of the millennium of the Baptism of Poland. Later, I did it for the second time, as the Prelate recalled, on the 50th anniversary of my baptism as a cardinal, and today, for the third time, I kissed this baptismal font, coming from

Rome as the successor of St. Peter." Upon graduation from Marcin Wadowita High School in Wadowice, he enrolled in Krakow's Jagiellonian University in 1938 and in a school for drama.

The Nazi occupation forces closed the university in 1939 and young Karol had to work in a quarry (1940-1944) and then in the Solvay chemical factory to earn his living and to avoid being deported to Germany.

In 1942, aware of his call to the priesthood, he began courses in the clandestine seminary of Krakow, run by Cardinal Adam Stefan Sapieha, archbishop of Krakow. At the same time, Karol Wojtyła was one of the pioneers of the "Rhapsodic Theatre."

After the Second World War, he continued his studies in the major seminary of Krakow, once it had reopened, and in the faculty of theology of the Jagiellonian University. He was ordained to the priesthood by Archbishop Sapieha in Krakow on November 1, 1946.

Shortly afterwards, Cardinal Sapieha sent him to Rome where he worked under the guidance of the French Dominican, Garrigou-Lagrange. He finished his doctorate in theology in 1948 with a thesis on the subject of faith in the works

of St. John of the Cross (*Doctrina de fide apud Sanctum Ioannem a Cruce*). At that time, during his vacations, he exercised his pastoral ministry among the Polish immigrants of France, Belgium, and Holland.

In 1948, he returned to Poland and was vicar of various parishes in Krakow as well as chaplain to university students. This period lasted until 1951 when he again took up his studies in philosophy and theology. In 1953, he defended a thesis on "evaluation of the possibility of founding a Catholic ethic on the ethical system of Max Scheler" at Lublin Catholic University. Later he became professor of moral theology and social ethics in the major seminary of Krakow and in the Faculty of Theology of Lublin.

On July 4, 1958, he was appointed titular bishop of Ombi and auxiliary of Krakow by Pope Pius XII, and was consecrated September 28, 1958, in Wawel Cathedral, Krakow, by Archbishop Eugeniusz Baziak.

On January 13, 1964, he was appointed Archbishop of Krakow by Pope Paul VI, who made him a cardinal on June 26, 1967 with the title of S. Cesareo in Palatio of the order of deacons, later elevated pro illa vice to the order of priests.

Besides taking part in Vatican Council II (1962-1965) where he made an important contribution in drafting the Constitution *Gaudium et spes*, Cardinal Wojtyła participated in all the assemblies of the Synod of Bishops.

The Cardinals elected him Pope at the Conclave of 16 October 1978, and he took the name of John Paul II. On 22 October, the Lord's Day, he solemnly inaugurated his Petrine ministry as the 263rd successor to the Apostle. His pontificate, one of the longest in the history of the Church, lasted nearly 27 years.

Driven by his pastoral solicitude for all Churches and by a sense of openness and charity to the entire human race, John Paul II exercised the Petrine ministry with a tireless missionary spirit, dedicating it all his energy. He made 104 pastoral visits

outside Italy and 146 within Italy. As bishop of Rome he visited 317 of the city's 333 parishes.

He had more meetings than any of his predecessors with the People of God and the leaders of Nations. More than 17,600,000 pilgrims participated in the General Audiences held on Wednesdays (more than 1160), not counting other special audiences and religious ceremonies [more than 8 million pilgrims during the Great Jubilee of the Year 2000 alone], and the millions of faithful he met during pastoral visits in Italy and throughout the world. We must also remember the numerous government personalities he encountered during 38 official visits, 738 audiences and meetings held with Heads of State, and 246 audiences and meetings with Prime Ministers. His love for young people brought him to establish the World Youth Days. The 19 WYDs celebrated during his pontificate brought together millions of young people from all over the world. At the same time his care for the family was expressed in the World Meetings of Families, which he initiated in 1994.

John Paul II successfully encouraged dialogue with the Jews and with the representatives of other religions, whom he several times invited to prayer meetings for

peace, especially in Assisi.

Under his guidance the Church prepared herself for the third millennium and celebrated the Great Jubilee of the year 2000 in accordance with the instructions given in the Apostolic Letter *Tertio Millennio adveniente*. The Church then faced the new epoch, receiving his instructions in the Apostolic Letter *Novo Millennio ineunte*, in which he indicated to the faithful their future path.

With the Year of the Redemption, the Marian Year and the Year of the Eucharist, he promoted the spiritual renewal of the Church.

He gave an extraordinary impetus to Canonizations and Beatifications, focusing on countless examples of holiness as an incentive for the people of our time. He celebrated 147 beatification ceremonies during which he proclaimed 1,338 Blessed; and 51 canonizations for a total of 482 Saints. He made Thérèse of the Child Jesus a Doctor of the Church.

He considerably expanded the College of Cardinals, creating 231 Cardinals (plus one in pectore) in 9 consistories. He also called six full meetings of the College of Cardinals.

He organized 15 Assemblies of the Synod of Bishops – six Or-

inary General Assemblies, one Extraordinary General Assembly and eight Special Assemblies. On October 16, 1981, he established the John Paul II Foundation, which with great commitment fulfills the goals that the Founder himself established.

His most important Documents include 14 Encyclicals, 15 Apostolic Exhortations, 11 Apostolic Constitutions, 45 Apostolic Letters.

He promulgated the Catechism of the Catholic Church in the light of Tradition as authoritatively interpreted by the Second Vatican Council. He also reformed the Eastern and Western Codes of Canon Law, created new Institutions and reorganized the Roman Curia.

He also published five books of his own: "Crossing the Threshold of Hope" (October 1994), "Gift and Mystery, on the fiftieth anniversary of my ordination as priest" (November 1996), "Roman Triptych" poetic meditations (March 2003), "Rise, Let us Be on Our Way" (May 2004) and "Memory and Identity" (February 2005).

In the light of Christ risen from the dead, on 2 April A.D. 2005, at 9.37 p.m., while Saturday was drawing to a close and the Lord's Day was already beginning, the Octave of Easter and Divine Mercy Sunday, the Church's beloved Pastor, John Paul II, departed this world for the Father.

From that evening until April 8, the date of the funeral of the late Pontiff, more than three million pilgrims

came to Rome to pay homage to the mortal remains of the Pope. Some of them queued up to 24 hours to enter St. Peter's Basilica.

On April 28, the Holy Father Benedict XVI announced that the normal five-year waiting period before beginning the cause of beatification and canonization would be waived for John Paul II. The cause was officially opened by Cardinal Camillo Ruini, vicar general for the diocese of Rome, on June 28 2005.

The beatification ceremony of John Paul II took place on May 1, 2011, on the Divine Mercy Sunday. The Beatification Mass at the Vatican was celebrated by several thousand Cardinals, Archbishops and Bishops from all over the world. It was attended by one and a half million faithful.

On September 30, 2013, during the consistory, Pope Francis announced that John XXIII would be declared Saint along with John Paul II. On April 27, 2014, on the Divine Mercy Sunday, John Paul II was proclaimed a saint.

In the historic ceremony on the St. Peter's Square in Rome more than 800,000 pilgrims from all over the world participated in it.

„We declare and define Blessed John XXIII and John Paul II to be saints and we enroll them among the saints, decreeing that they are to be venerated as such by the whole church. In the name of the Father and the Son and the Holy Spirit."- Pope Francis.

Announcement

Dear Members and Friends of the John Paul II Foundation, For many months with the great effort and commitment members of the John Paul II Foundation Chapters were preparing for the celebration of the 100th anniversary of the birth of St. John Paul II – a date very important for the Foundation that bears His name. Unfortunately, the world is facing the situation that no one could have foreseen and which brings a serious risk to human health. The media inform about the spread of the coronavirus, which causes many deaths in the world. After numerous consultations, the Board of the John Paul II Foundation decided that in the current situation, the organization of an-

niversary celebrations in Rome carries too much risk. We decided to postpone the planned celebration of the 100th anniversary of St. John Paul II birthdate to the next year (April 25-27, 2021). On that date we will also celebrate the fifth anniversary of the Canonization of St. John Paul II, as well as the 40th anniversary of the establishment of our Foundation. The next year celebrations will provide a great opportunity to summarize the Jubilee Year of the 100th anniversary of the birth of the Holy Father.

The decision was not easy, but it was dictated by a deep concern for the Members and Friends of our Foundation. To those who have already taken steps in con-

nection with their planned arrival to Rome we would like to extend our apologies for any problems and difficulties.

Also, we would like to encourage to celebrate the birth anniversary of St. John Paul II in our Chapters, parishes, and dioceses and we are already inviting you to join us in our celebrations next year in Rome.

Let St. John Paul II, Patron of our Foundation, through His intercession with God, implore the necessary graces and bring help in these difficult times.

Cardinal Stanisław Ryłko,
President of the Adm. Board of
the JP II Foundation

Triptych in the Polish cath. mission in Rosenheim (24 X – 8 XI, 2019)

The Polish Catholic Mission in Rosenheim was the third parish in the Southern Deanery (after Munich and Ingolstadt) of the Polish Pastoral service in Germany, which was visited by the Triptych depicting Our Lady of Częstochowa, Saint Faustyna Kowalska and St. John Paul II along with the relics of the Holy Father. The visitation of the Triptych which relate to the 100th anniversary of the birth of Karol Wojtyła that took place this year, gathered the faithful at the Masses, which always ended with the veneration of the relic of St. John Paul II. The Triptych was placed in the chapel in the Center of the Polish Mission, which is also used by the faithful of the Croatian Mission, who were very happy that they

were able to pray in front of the Triptych and relic.

On Friday, November 8th, after the Holy Mass we had to bid farewell. We prayed the Chaplet to the Divine Mercy, a prayer for the St. John Paul II intercession to God to grant us necessary graces. Then, we sang "Barge" and Jasna Góra Novena and venerated the relic of the Holy Father. In such manner we ended this good time of the visitation.

During the visitation, the faithful people had the opportunity to deepen their faith and strengthen the bonds which they have, through Our Lady of Częstochowa and the Polish Saints, with their Homeland and the Catholic Church.

Passing of the triptych and relics of St. John Paul II from the USA to Canada

Triptych with relics of St. John Paul II peregrinates in various parishes in the USA since August 15, 2019. The initiative of the triptych and relics' visitation is related to the 100th anniversary of the birth of Karol Wojtyła. In the year leading up to this event, the John Paul II Foundation wants to encourage all members and friends to pray together through the intercession of the saint from Wadowice.

On January 7, 2020, Pauline Fathers from Buffalo (USA) passed the Triptych along with the relics of St. John Paul II to priests who are working in Mississauga (Canada). Fr. Janusz Błażej, pastor from the St. Maximilian Church and Fr. Adam Wróblewicz CR, pastor from the St. Joseph Church in Brantford welcomed the triptych and relics.

Fr. Adam Wróblewicz CR was named the curator of the triptych in Canada. During the welcome, he expressed special gratitude for this great gift of the triptych visitation and presented an initial program of visitation. In his parish, the visitation will take place from March 14 to March 20. "The pilgrimage time will coincide with the feast of St. Joseph, patron of Canada and our parish – says Fr. Adam Wróblewicz CR. We thank God for this great gift of the Holy Pope, and at the same time we want to prepare in the best possible manner for this great celebration of the 100th anniversary. Through retreats, devotions, and above all daily prayers, we want the whole heritage of St. John Paul II, the Father of all mankind be passed to the next generations and was

not forgotten. Through the pilgrimage of the Triptych, following the footsteps of St. John Paul II we would like to entrust ourselves, our families, parish, the Church, and the whole world, which now more than ever needs Divine Mercy."

Los Angeles Chapter of JP II Foundation

Living outside the country, we try to maintain strong ties with the Homeland and cultivate Polish traditions. One tradition that is especially important for us is joint singing of Polish Christmas Carols.

Every year, on the first Saturday of January, our JP II Foundation Chapter in Southern California organizes "Christmas Caroling", during which in the warm atmosphere of the family house, with a flickering Christmas tree with Polish ornaments we are singing Polish Christmas Carols. Mr. Edward Hoffman always selects

Christmas Carols for us.

This year, the Christmas caroling meeting was held on January 4, 2020 in Moorpark, Ventura County. Mr. Andrzej Kozłowski (a long-standing member of our Chapter) was playing accordion and accompanied us during our singing. Year after year we have more and more guests, which mean that these meetings are needed and liked. In addition to the joy of joint Christmas caroling, there is also a huge joy of meeting our friends and acquaintances and possibility to share our memories. The meeting cannot go without a

joint prayer. We recalled members of our Chapter who went to the House of the Lord in the last year and we also prayed in their intention. This year, we devoted some time to recall memories of late Mr. Stanisław Kazimierz Cybulski, who was the President of our Chapter for 23 years. Mr.

Kazimierz was also a poet. We listened to his poem "Christmas", which he wrote on December 25, 2002.

After our joint Christmas caroling, we enjoyed traditional Polish dinner and desserts and had time for the New Year's toast and wishes. We started the New Year 2020,

with Christmas caroling and that year is very special for us as we will be celebrating the 100-year anniversary of the birth of St. John Paul II. May this year be for all of us full of God's Blessings for which we are asking our Holy Patron to intercede for us.

March for Life 2020

On January 24, 2020 a group of members and friends of the John Paul II Foundation New Jersey Chapter along with its president Mieczysław Bokszyński set out to attend 47th March for Life.

Every year, we attend the March as our Founder -St. John Paul II was a staunch defender of human life from the conception until natural death. In multiple

writings and speeches St. John Paul II talked about the dignity of every human being and he is remembered as "a great lover of life and defender" of the unborn. He was not afraid to criticize abortion procedures and to point out that such procedure is nothing less but killing the unborn in the womb of the mother.

This peaceful rally – March for Life – takes place at the end of January in Washington, DC on the anniversary of infamous United States Supreme Court decision Roe vs Wade legalizing abortion in the whole country. Many people of good will want to have an impact and they are attending those rallies every year and each time the March for Life gets stronger.

This year was very special as there was anticipation that for the first time in the history, the United States President will be attending the rally and say a few

words. President Donald Trump was assuring everyone that: "The unborn have never had a stronger defender in the White House" and that he would have vetoed any legislation that was undermining the rights of the unborn."

Our group – the New Jersey Chapter of John Paul II Foundation was walking in the March carrying a big yellow banner with an image of St. John Paul II. Many fellow participants of the March for Life took pictures with us and expressed their devotion to St. John Paul II. During the rally, one of the TV stations was eager to learn more about our group and reasons for our participation in this annual March for Life.

The March for Life ends at the steps of the Supreme Court where people are giving their testimonies, many times with tears they share their tragic stories.

New Church named John Paul II in West Kalimantan

With the blessing of The Lord, the new John Paul II (Santo Yohanes Paulus II) church was inaugurated by Bishop Julius Mencuccini on Sunday, 9 February 2020. The opening ceremony was attended by around 600 people including the pres-

ident of JP II foundation, Mrs. Lucy Liando, and the head and deputy of local regency. We name the church after our John Paul II Foundation. Located in Lubuk Sabuk, Sanggau, West Kalimantan, the church has a seating capacity of 500 people.

My husband and I donated this piece of land to the parish at the end of 2017, and through donations and other contributions from variety of sources, the construction began in Apr 2019 and completed in Jan 2020. During the opening Mass, the

bishop also gave the sacrament of Confirmation to 101 children and blessed many younger Catholics. Bishop Mencuccini has been serving his parish in Sanggau for 30 years, and the JP II church is the 902nd that he inaugurates during his period of service. Sanggau is the home of Dayak tribe with majority of the population are Catholics. Last but not least, we are so blessed to finally be able to present this church to the local community. The people of

Lubuk Sabuk are so happy to have their own church. After each Sunday Mass they can gather for a meeting and at the same time to see and talk to their friends. We hope that this church can give many benefits to the local community especially to those who seek God. Our works are still continuing and hopefully, we can open another new church in the near future.

The gift of the century or for the 100th Anniversary? Retreats for stipend recipients

In less than three months we will be experiencing the 100th anniversary of the birth of St. John Paul II, founder of our Foundation. In the context of this upcoming celebration, another group of stipend recipients participated in the second

phase of the retreat, which took place at the Religious House of the Sacred Heart Priests in Pliszczyn from February 27 until March, 1, 2020. The spiritual retreat was led by Fr. Franciszek Wielgut, Sacred Heart Priest.

For the stipend recipients retreats are a special time that is providing a great opportunity to better know the Lord God, to deepen their faith, reflect on their lives, and make concrete resolutions for the future.

It was our great joy that we had the retreat in the early days of Lent. This way we were able to gain new spiritual strength and with a pure heart prepare for the Resurrection of Jesus Christ.

During the retreat we attended the Holy Mass every day, participated in the adoration and other prayers. We also had the opportunity to listen to vari-

ous conferences, participate in discussions, and integration meetings. Very emotional and deep were Stations of the Cross which took place on the path from the retreat house to the parish cemetery. During the retreat, we were able to take advantage of the sacrament of penance and reconciliation.

We would like to express our gratitude to the entire community of the Sacred Heart Priests in Pliszczyn for their warm reception, and especially Fr. Franciszek for the Word of God, for his patience in answering our questions and for the time he spent with us. Returning to our daily duties, we are filled with God's power, love, and concrete resolutions for Lent.

Triptych in Canada

May 18, 2020 marks the 100th anniversary of the birth of St. Pope John Paul II. To observe this important anniversary in many Churches around the world a thanksgiving prayers and holy Masses are celebrated. Three portable altars called Triptych with the image of Our Lady of Czestochowa (Black Madonna), St. Sister Faustina and St. John Paul II are travelling across three continents (Europe, Asia and North America), so that the

Faithful People of God can receive many God's favors and blessings. In December of last year, the Ordinary of the Diocese of Hamilton, Bishop Douglas Crosby issued a pastoral letter to all priests in which he encouraged them to open the doors of their churches and welcome this Triptych. At the request of Fr. Krzysztof Wieliczko, Administrator of the John Paul II Foundation, the peregrination in Canada began in January of this year. Fr. Adam Wróblewicz CR,

pastor of St. Joseph parish in Brantford, CA is the curator and organizer of the peregrination in the Province of Ontario. The triptych which came from Buffalo, USA in early January was welcomed in Mississauga by Fr. Adam Wróblewicz CR.

Emphasizing the importance of the 100th anniversary of the birth of John Paul II, the government of the Republic of Poland proclaimed the year 2020 as the Year of John Paul II.

The 6th Ann of the John Paul II Canonization

Six years ago, on April 27, 2014, two popes were canonized – John Paul II and John XXIII. The ceremony took place on the Divine Mercy Sunday, a feast established by the Polish Pope. In a historic ceremony on the St. Peter's Square in Rome, more than 800,000 pilgrims from all over the world participated in it. It was an event without precedent – at the same time two Popes were named as saints. In addition, for the first time ever, two Popes – current Pope Francis and among Cardinals – retired Pope Benedict XVI celebrated

the canonization mass. Pope Francis announced new saints.

"We declare and define Blessed John XXIII and John Paul II to be saints and we enroll them among the saints, decreeing that they are to be venerated as such by the whole church. In the name of the Father and the Son and the Holy Spirit."- he said. In his homily, Pope Francis emphasized that both canonized "were not ashamed of the flesh of Christ, they were not scandalized by Him, by His cross."

Having in mind that all public celebrations related to the 6th

anniversary of the canonization of John Paul II were cancelled in Italy, on Monday April 27, 2020 at 7:00 a.m. in the St. Peter's Basilica at the relics of St. John Paul II, a holy Mass will be celebrated by Cardinal Konrad Krajewski.

We ask all members and benefactors of the John Paul II Foundation for spiritual communion and joint prayer on this day at 7:00 a.m. roman time asking the merciful God to stop the coronavirus pandemic in the world.

The FJP II is expressing its gratitude and, it is preserving for history names of those who in a special way helped in her development
